Comprehensive Summer Programs: 2019

North Bridge Summer Programs

Lower Bridge - Grades 3 - 8

Mon, Tues, & Wed - 5 weeks: July 8 to Aug 7 8:30 AM to 1:30 PM

Designed for students that struggle with learning due to learning disabilities, attention deficit-disorder, autism spectrum disorder, and/or issues of anxiety.

Academics: Reading, math, and written language are taught individually and/or in small groups by certified educators.

Social Skills: Students will have the opportunity to participate in small groups focusing on social skills development for age-appropriate interpersonal relations including verbal and non-verbal behaviors common in relationships.

Theme Activities: Activities will be chosen based upon the composition of the group and interests of students. Theme activities reinforce academic and social skills instruction as well as provide fun learning exploration for students.

Fee: \$3500.00

North Bridge - Grade 9 to Age 21

Wed, Thurs, & Fri. - 5 weeks: July 10 to Aug 9 9:00 AM to 2:00 PM

Designed for students in upper grades that struggle with learning due to learning disabilities, attention deficit disorder, autism spectrum disorder, and/or with issues of anxiety.

Academics: Reading, written language, math, social studies, and science are taught individually and/or in small groups by certified teachers.

Social Skills: Students will have the opportunity to participate in small groups focusing on social skills development for age-appropriate interpersonal relations including verbal and non-verbal behaviors common in relationships.

On-line Learning Support: If taking on-line courses, students are provided support to achieve credits towards their high school requirements.

PREP: Preparing transitioning individuals toward their future goals including post-secondary education and/or employment.

Fee: \$3500.00

Preparing for the FUTURE and taking the first steps...

Small group or individualized career planning and coaching, supporting individuals to take specific actions to move into employment. Also available on an as needed basis - career exploration, job shadowing, and internship site development.

The participants need to allow time to assess, plan, prepare, and search for a job that suits his or her needs and skills. Scheduling is done on an individual basis with the coach and the participant.

Coaching Fee: Hourly: \$80 10-Hour Package: \$800 20-Hour Package- \$1500

Summer Game Nights for Students with Social Challenges

GAME NIGHT!

Wayfinder is hosting a game night at North Star Education Services for teens on the autism spectrum. There will be games (both video and board), books, art supplies, and movies.

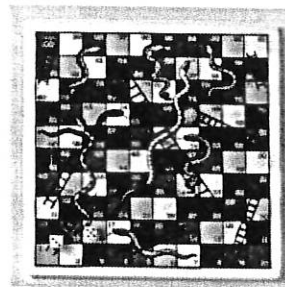

This game night is for those with high functioning autism or who are on the spectrum who are looking for a safe place to hang out, socialize, have fun, make friends, and be themselves.

Ages: 13-17 years

Time: 5:00 PM to 6:00 PM

Day of Week: Friday

Fee: \$10 per person, per night

Game Night will be every other Friday
starting on Friday, May 3rd

If there are any questions you can contact Wayfinder at:
